Storing a Patient's Private Medications/Immunisations On-site

Saltwater Medical does not encourage the storage of a patient's personal medications/immunisations on-site at our clinic. However, if you do wish to store your personal medications/immunisations at our practice, we will not be held liable for the replacement of your medication/immunisations in the unlikely event of a cold chain breach.

Do you agree to the above information and consent to leaving your personal medication/immunisations in our vaccine fridge?

Yes No

Patient's Full Name: _____ Date of Birth: ____ / ____ / ____
